

2nd Annual
Arts for all Ball

Dear Arts Supporter,

We welcome your participation as a corporate sponsor for our **2nd Annual Arts-for- All Ball** to be held on October 23rd, 2009 at the Astor's Beechwood Mansion. The event will feature Fine Catering by Russell Morin, Martini Cocktail Bar by Grey Goose Vodka, great music by the band Cross Town Traffic, and the opportunity to bid on student and local art work.

This event is being organized by parents and community members in an effort to support the visual and performing arts programs in the Tiverton Schools. Your sponsorship will be mutually beneficial, providing access to the arts for Tiverton youth while promoting your organization to attendees through our constant contact lists and local media releases. Your support will ensure all students have continued access to the arts, including K-12 music, visual arts and after-school drama and dance programs. Our marching band, orchestra, strings, chorus, and dance programs consistently rank at the top in state and national competitions. Our middle and high school visual art students have been the recipients of many outstanding awards, as well. These accomplishments are made possible through the hard work and dedication of our students, teachers, and fundraising committees. Supplemental funding to support these programs is more important than ever before!
