

Title: COMMUNITY VOLUNTEERS

The School Committee welcomes and encourages the participation of qualified citizen volunteers in the school program. The principal shall submit a list of volunteers to the Superintendent for approval. Volunteers shall serve at the discretion of the principal and under the supervision of certified staff members.

Each building principal shall keep on file the following information.

1. A brief description of the rules and responsibilities of each category of volunteer service in his/her building; and
2. A roster of all volunteers serving in the building, listing after each time the category of activity in which they will be engaged and the person responsible for their supervision.
